Tomorrows**

Do Good, Feel Good: Embrace Green Choices for a
SUSTAINABLE FUTURE

GREEN BUILDING CONGRESS 2025

Today, building sector is in the forefront of adopting and promoting green practices and technologies. This is going a long way in addressing ecological issues in a holistic manner. Stakeholders are warmly embracing sustainable building practices.

There is a growing evidence that green buildings not only conserve resources but will also enhance the quality of life of the occupants.

The spotlight is therefore shifting to people and their wellness. Indian Green Building Council is working with several stakeholders such as state and central governments, NGOs, bilateral, multilateral agencies including WorldGBC in this mission.

Playing a catalytic role in spearheading the green building movement in the Country is IGBC, part of CII.

Today, over 14 Billion sq.ft of green spaces in India are going the IGBC way. This has facilitated India become one of the top 3 countries in the world in terms of largest registered green building footprint.

To further advance green building movement in the country, IGBC is organising its 23rd edition of **'Green Building Congress'** during **27,28,29 November 2025 at Jio World Convention Centre, Mumbai, India.**

“
IGBC's Green Building Congress
- A springboard for advancing the
Green Building Movement in India
”

14.15 Billion Sq. Ft.
Green Building Footprint

16,361+
Green Building Projects

IGBC's Green Building Congress 2025

Key Objectives

GREEN BUILDING CONGRESS®
Asia's Largest Conference & Expo on Green Built Environment
27 - 29 NOVEMBER 2025
Jio World Convention Centre, Mumbai, India

- Accelerate India's Green & Net Zero building movement in the country
- Unlock new business opportunities for all stakeholders
- Showcase cutting-edge green and low-carbon building products, materials & technologies
- Create a dynamic platform for high-impact B2B networking
- Engage and inspire the public to build awareness of green initiatives
- Educate and empower young minds to champion sustainability

Highlights

3-day International Conferences

3-day Expo on Green Building Products, Materials and Technologies

IGBC Members Meet Session

IGBC Leadership Awards 2025

Awards for IGBC Certified projects

IGBC Performance Challenge for Green Built Environment 2025

IGBC Green Design Competition 2025

IGBC Green your School Programme 2025®

Focus Areas

- Climate Change
- Net Zero – Energy, Water, Waste and Carbon
- Environmental, Social and Governance (ESG)
- Building Decarbonisation
- Low Carbon and Green Materials and technologies
- Alternate Energy Systems
- Carbon Neutral Cities
- Health and Well being
- Green & Net Zero Homes
- Green Financing
- Logistic Parks
- Green Factory buildings
- AI and IOT in buildings

Who can attend?

- Architects • Builders and Developers • Corporate
- Engineers • Educational Institutions • Government Representatives
- Facility Managers • Energy Modelers • Consultants • Contractors
- International Agencies • Green Product / Equipment Manufacturers
- Interior Designers • Green Building Project Owners
- Green Building Facilitators • Institutions
- Project Management Professionals
- Town Planners etc.,

GREEN BUILDING CONGRESS®
Asia's Largest Conference & Expo on Green Built Environment
27 - 29 NOVEMBER 2025
Jio World Convention Centre, Mumbai, India

Sponsor

Green Building Congress 2025

Becoming a sponsor at Green Building Congress 2025 presents companies and businesses a unique opportunity to demonstrate their commitment towards green, further enhance the visibility of the corporate brand, products, services and technologies amongst key stakeholders of Indian construction industry.

Key reasons for companies & businesses to be part of Green Building Congress 2025

Visibility and Brand Exposure

Extensive visibility and exposure to a targeted audience of industry professionals within the green building sector.

Positioning as a Thought Leader

Sponsor brands can position themselves as thought leaders within the sustainability and green building space.

Marketing and Promotional Opportunities

Sponsors receive comprehensive marketing and promotional benefits throughout the event.

B2B Networking Opportunities:

Sponsor companies can engage in meaningful conversations and build relationships with professionals and organisations nationally and internationally.

B2B EXPO

The event provides a platform to showcase your brand, products, and services to a highly relevant and engaged audience and business visitors.

Be part of the Green Building Movement:

Green Building Congress provides an opportunity to demonstrate your commitment to Indian green building movement and sustainable practices, enhancing your brand reputation.

IGBC – Organising Green Building Congress, Since 2001

SHOWCASE AT EXPO

on Green Building Products, Materials & Technologies

27 - 29 NOVEMBER 2025
Jio World Convention Centre, Mumbai, India.

Interior*

- Acoustics
- Exhaust Systems
- Ergonomic Products
- House Keeping Chemicals
- Green Modular Furniture
- Green Paints
- Gypsum Boards
- Lighting Fixtures
- Modular Ceiling Systems
- Plumbing Pipes & Fittings
- Rapidly Renewable Materials
- Sanitary Fixtures
- Tiles and Ceramics
- Water Fixtures
- Wood Based Products

Exterior*

- AAC, Pavers, Concrete, Bricks
- Cement and Steel
- Doors and Windows
- High Performance Glazing
- Insulation Products
- Rainwater Harvesting Systems
- Roof Garden
- Vertical Landscape

**1,000+ Innovative, Futuristic & Emerging
Green & Low Carbon Products,
Equipment, Systems &
Technologies on display**

Technologies*

- Air-conditioning Equipment
- Air Filtration and Monitoring
- BEE Star Rated Appliances
- Building Management System
- CO2 Sensors
- Cool Roofing
- Control Systems
- HVAC Systems
- Light Pipe, Photo Voltaic
- Lighting Sensors
- Pre Fab Technologies
- RE Technology and Products
- Software for Building Analysis
- Solar Hot Water System
- Vertical Transportation
- Water Treatment
- Waste Management Equipment
